## Education

---

### University of Illinois Urbana-Champaign

Aug. 2020–Present

Ph.D. in Computer Science; Advisor: David Forsyth; GPA: 3.94/4.0

### Purdue University

May 2020

M.S. in Electrical and Computer Engineering; Advisor: Yung-Hsiang Lu; GPA: 3.57/4.0

### Purdue University

May 2018

B.S. in Computer Information Technology; Minor in Business Management; GPA: 3.94/4.0  
With Highest Distinction

## Research Interests

---

Deep Learning, Computer Vision

## Publications

## Invited Talks

---

**Rethink Computer Vision with Global Public Cameras.** Academia Sinica, Taiwan, Sept. 2019.

## Teaching

---

Graduate Teaching Assistant, Computational Photography, UIUC (2021–2022)

Graduate Teaching Assistant, Database Systems, UIUC (2020)

Graduate Teaching Assistant, Object-Oriented Programming in C++ and Java, Purdue University (2018–2019)
